

# Health Check Program: Commerce Jumpstart

## Targeted Deep Dives for Specialized Remediation

### Extend the power of a Salesforce Health Check Program with a focused jumpstart!

Before considering enhancements to your Salesforce org, it is essential to ensure the overall health of your environment. Trifecta's Commerce Jumpstart builds on our standard "Health Check Starter Program" and tailors it specifically for a future Commerce engagement. This targeted deep dive will prioritize and inspect specific areas and functions of your Salesforce org to set you up for success when you're ready to implement Salesforce Commerce Cloud.

#### Commerce Jumpstart

*Incorporates all of the benefits of the Health Check Starter program, plus Commerce-related deep dives in:*

- ✓ Accounts / Contacts
- ✓ Address Preparedness
- ✓ Price Books & Products
- ✓ Quotes & Orders

**Complete the jumpstart in as little as 2 weeks, starting at \$7,000\*  
for consulting and remediation planning.**

*\*Clients who initiate an implementation as a result of a Health Check: Commerce Jumpstart may be credited the entire \$7,000. Subsequent engagements must be valued at \$50,000+ to qualify.*

#### Stay Tuned!

*Trifecta is currently developing additional Health Check Jumpstart Programs to design targeted deep dives that will help prepare your Salesforce for future enhancements such as:*

- ✓ Marketing Cloud
- ✓ Field Service Management
- ✓ Configure Price Quote
- ✓ Partner Communities
- ✓ Customer Communities
- ✓ Lightning Experience
